

# Manifesto – Bidyut Bhakat (23MS227)

For General Secretary, SAC (Hostel & Transport), 2025–26

**Vision:** *Transparency · Compassion · Honesty*

I am contesting for General Secretary with a clear goal — to make the Hostel & Transport system **transparent, fair, and accountable**.

If elected, I will:

- Publish all hostel allotment lists, room vacancies, and occupancy details openly.
- Make CWH meetings and minutes public, with monthly transparency reports.
- Release **monthly construction updates** for new hostels and ensure the Dean (Hostel Construction) addresses all student queries.
- Deal with **dog issue** at earliest.
- **Pest control** for all hostel buildings.
- Renovate old **bathrooms** of ICVS and NSCB
- Conduct regular hostel **cleanliness** inspections and ensure accountability.
- Eliminate late night room visits and forceful fee collection in the name of coupons or participation.
- Reform transport booking through **digital payments** and transparent scheduling.
- Create a fund to support student **excursions** and local trips.

I am not a political face — I am a **regular student** who has personally faced these problems. I've experienced unfair room allotments, unclean washrooms, and hidden decisions. But I've also spoken up — when the old washing machines were removed, when allotments were unfair, and when important issues were being silenced.

As **former Secretary of the Nature Club**, I've organised official bus trips, managed room bookings, handled logistics, and coordinated with higher authorities. These experiences taught me how to **get things done efficiently and responsibly**.

I don't promise influence — I promise **integrity, persistence, and genuine representation**.

---

**Vote for transparency. Vote for compassion. Vote for honesty.**

**Vote for Bidyut Bhakat (23MS227)**
